Introduction

Suryan Enterprise was established in the year 2019 as contractor with an aim to serve the nation professionally in the fields of **Electrical and Mechanical Engineering**. Over the years we have completed numerous Commercial & Industrial Projects of National Importance.

Since 2019 **Suryan Enterprise** continues to strive for providing reliable, efficient & cost-effective projects to many Local and Multinational Companies on Turnkey Basis. We are committed to follow engineering code of practice/standards with HSE at the top and client's ultimate satisfaction.

Suryan Enterprise proudly acclaims to provide the best services and can undertake the responsibility to design, execute and manage the whole project on turnkey basis. Please find our list of services and clientele that might speak of our work quality and experience.

Our commitment with client is also backed up by extensive technical support, after sales service and comprehensive level of stock, for immediate response to customer's requirements. If you have any queries for the pre-qualification of our company, please do not hesitate to contact us. We will be really glad to assist you.

Thanking and assuring you of our best services and Co-operation.

Regards,

Suryan Enterprise

Team Experience In Project

We are having experience man power of various field. Expertise are along with list of Projects handled by them are as follows:

Mechanical:

Blower Capacity 2x 2.5MW Centrifugal Blower

Make: SHAANGU

Involvement:

- Erection of Turbo Blower, gear box and main motor along with all accessories.
- Erection of lube oil system.
- Erection of interconnecting lube oil pipelines.
- Erection of suction air filter.
- Erection of suction pipeline, discharge pipeline, blow off pipeline along with valves and accessories.
- Checking of clearance as per certificate from manufacturer.
- Alignment for whole turbo blower train.
- Testing and commissioning of above equipment's under the guidance of manufacturer.

Blower Capacity 2x 5.6MW Centrifugal Blower

Make: SBW

Involvement:

- Erection of Turbo Blower, gear box and main motor along with all accessories.
- Erection of lube oil system.
- Erection of interconnecting lube oil pipelines.
- Erection of suction air filter.
- Erection of suction pipeline, discharge pipeline, blow off pipeline along with valves and accessories.
- Checking of clearance as per certificate from manufacturer.
- Alignment for whole turbo blower train.
- Testing and commissioning of above equipment's under the guidance of manufacturer.

Turbine Capacity 1 x 500MW Steam Turbine

Involvement:

- Erection, testing and commissioning of 500MW capacity steam turbine, generator, condenser, boiler feed pump along with all accessories and auxiliaries.

Turbine Capacity 2 x 800MW Steam Turbine

Involvement:

- Erection, testing and commissioning of 2X800MW capacity steam turbine, generator, condenser, boiler feed pump along with all accessories and auxiliaries.

Electrical & Instrumentation:

Blower Capacity 2x 2.5MW Centrifugal Blower

Make: SHAANGU

Involvement:

- Erection of All HT Switchgear Panels LT Switchgear (PCC, MCC & UPS) Panels.
- Erection of MV Drives.
- Erection of PLC Cabinets, Control Desks.
- Supervision of Laying of All Power Cables, Control Cables, Instruments Cable and Network Cables for PLC Communication.
- Installation of Instruments in Water Lines, Oil Lines and Air Lines as per P&ID.
- Testing and Commissioning of Electrical Equipment's and Instruments.

Blower Capacity 2 x 5.6 MW Centrifugal Blower

Make: SBW

Involvement:

- Erection of All HT Switchgear Panels LT Switchgear (PCC, MCC & UPS) Panels.
- Erection of Soft Starters, Capacitor Panels.
- Erection of PLC Cabinets, Control Desks.
- Supervision of Laying of All Power Cables, Control Cables, Instruments Cable and Network Cables for PLC Communication.
- Installation of Instruments in Water Lines, Hydraulic Oil Lines and Air Lines as per P&ID.
- Testing and Commissioning of Electrical Equipment's and Instruments.

Blower Capacity 1 x 5.6 MW Axial Blower

Make: SHAANGU

Involvement:

- Erection of All HT Switchgear Panels LT Switchgear (PCC, MCC & UPS) Panels.
- Erection of Soft Starters, Capacitor Panels.
- Erection of PLC Cabinets, Control Desks.
- Supervision of Laying of All Power Cables, Control Cables, Instruments Cable and Network Cables for PLC Communication.
- Installation of Instruments in Water Lines, Hydraulic Oil Lines and Air Lines as per P&ID.
- Testing and Commissioning of Electrical Equipment's and Instruments.

TRT Capacity 1 x 4.5 MW TRT

Make: SHAANGU

Involvement:

- Erection of All HT Switchgear Panels LT Switchgear (PCC, MCC & UPS) Panels.
- Erection of Transformer.
- Erection of PLC Cabinets, Control Desks.
- Supervision of Laying of All Power Cables, Control Cables, Instruments Cable and Network Cables for PLC Communication.
- Installation of Instruments in Water Lines, Hydraulic Oil Lines and Air Lines as per P&ID.
- Testing and Commissioning of Electrical Equipment's and Instruments.

Blower Capacity 1 x 7.2 MW Axial Blower

Make: SHAANGU

Involvement:

- Erection testing and commissioning of all HT and LT Equipment's as per drawings.
- Installation, testing of soft starter.
- Installation and commissioning of all instruments.
- Installation of PLC, Loop testing and network checking and successful commissioning.

Blower Capacity 4 x 8.6 MW Axial Blower

Make: SHAANGU

Involvement:

- Erection testing and commissioning of all HT and LT Equipment's as per drawings.
- Installation, testing of soft starter.
- Installation and commissioning of all instruments.
- Installation of PLC, Loop testing and network checking and successful commissioning.

Blower Capacity 1 x 3.9 MW Centrifugal Blower

Make: SHAANGU

Involvement:

- Erection testing and commissioning of all HT and LT Equipment's as per drawings.
- Installation, testing of soft starter.
- Installation and commissioning of all instruments.
- Installation of PLC, Loop testing and network checking and successful commissioning.

Services Summary

ELECTRICAL ENGINEERING

- Electrical Sub - Station
- Generator Limited Auto Power Supply System to Apartments
- Underground Power & Control Cable Laying with its Termination
- Industrial and Commercial Building Electrical Wiring
- UPS System
- Data Networks
- Fire Detection System
- CCTV System
- Industrial & Street Lighting Pole
- Explosion Proof Lighting & Equipment Electrical Wiring System
- Low Tension Panel erection
- Motor Control Panel erection
- Generator AMF & ATS Panel erection
- Power & Lighting DB erection
- Bus Tie Duct erection
- Cable Tray erection
- Supply and laying of HT/LT cables through UG tunnel and racks
- Erection and commissioning of AC/DC drives and soft starters
- Termination of Cable from 2.5 sq.mm. to 400 sq.mm.
- Laying and joint of fiber optic cable
- Supply and Installation of electrical PDB, MCB, LDB and SLDB.
- Testing and commissioning of PDB, MCB, LDB and SLDB.
- Erection commissioning and loop checking of PLC.
- Fabrication and supply of all size cable trays.
- Construction and maintenance of Earth pit.
- Erection and maintenance of EOT crane
- Oil filtration and OLTC maintenance
- All kind of Industrial wiring job
- Erection of Transformer up to 10 MVA

INSTRUMENTATION ENGINEERING

- Erection and commissioning of Electrical and Electro pneumatic actuators.
- Laying of GI conduit pipe for cable laying
- Supply and installation of magnetic and ultrasonic flow meter
- Supply installation and commissioning of diff types of flow element such as orifice, v cone, venturi etc.
- Installation and commissioning of diff types of weigh feeder and load cells
- Installation of rail mounted instruments with termination
- Supply and Installation of diff types of level transmitter
- Installation of UPS
- Installation /erection of DP transmitter and pressure transmitter
- Installation and erection of pressure gauge
- Laying of copper tubes
- Laying and termination of instrument cables
- erection and commissioning of thermocouple and thermostat

MECHANICAL ENGINEERING

One Stop Solutions and Services for Power Plants & Process Industries like Petrochemicals, Fertilizers, Cement, Paper, Metal and Sugar industries having

- Steam Turbines
- Gas Turbines
- Turbo Generators
- Pumps
- Centrifugal Compressors
- Turbo blowers and Gear boxes
